

The center for whitewater rafting and kayaking in the Columbia River Gorge.

Directions to the Wet Planet Headquarters

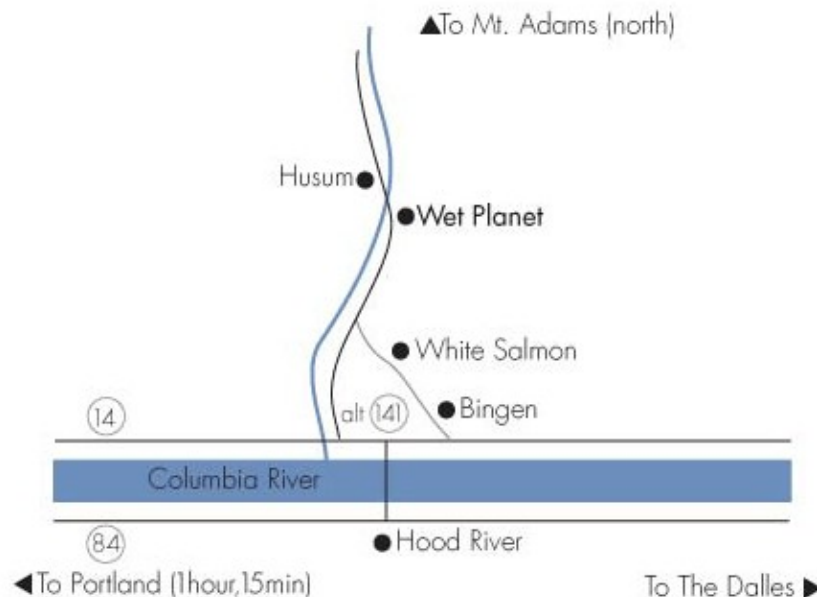

The Wet Planet Rafting and Kayaking headquarters is just an hour and fifteen minutes east of Portland, OR. Nestled down in the Columbia River Gorge between Mt. Adams and Mt. Hood, we are located along the bank of the White Salmon River, just feet away from the legendary Husum Falls. At our headquarters, we provide our guests with all of the amenities necessary to complement an already incredible white water rafting trip or day of kayak instruction.

DIRECTIONS:

From Portland / Vancouver: take I-84 East. Take exit 64. Turn left and cross the Hood River Bridge. After crossing the bridge, turn left on Hwy. 14. In 1.5 miles, turn right onto Alternate Hwy 141. Continue for 2.2 miles, and then bear left onto Hwy 141. Continue for 4.0 miles. Wet Planet Rafting and Kayaking is on the right side of Hwy 141 just before crossing the river at Husum Falls. (1 hour 15 minutes)

From Seattle: take I-5 South. Merge onto I-205 South via exit 7. Merge onto I-84 East toward The Dalles. Take exit 64. Turn left and cross the Hood River Bridge. After crossing the bridge, turn left on Hwy. 14. In 1.5 miles, turn right onto Alternate Hwy 141. Continue for 2.2 miles, and then bear left onto Hwy 141. Continue for 4.0 miles. Wet Planet Rafting and Kayaking is on the right side of Hwy 141 just before crossing the river at Husum Falls. (3.5 – 4 hours)

Traveling from the East: take I-84 West. Take exit 64. Turn right and cross the Hood River Bridge. After crossing the bridge, turn left on Hwy. 14. In 1.5 miles, turn right onto Alternate Hwy 141. Continue for 2.2 miles, and then bear left onto Hwy 141. Continue for 4.0 miles. Wet Planet Rafting and Kayaking is on the right side of Hwy 141 just before crossing the river at Husum Falls.
